Title and Series Determination: Investigation Assistant, GS-1802-05

See the evaluation statement for the full-performance level position, GS-1802-8, position description number S000319. The evaluation statement for position description number S000319 explains fully the allocation of this position to the GS-1802 Series, the basis for the position's title, and background information concerning the function of the position.

Grade Level Determination: Refer to the evaluation statement of the full-performance level position, GS1802-8, position description number S000319 for the grade determination at the full-performance level. This is an interim position established to provide for a period of growth. The incumbent will receive assignments that are designed to develop the knowledge, skills, and abilities required to carry out assignments at the GS-06 level, the next grade-level in the career ladder.

Conclusion: The position will remain at the grade GS-05 level until the employee meets the necessary qualification requirements and the incumbent's supervisor certifies that the incumbent has reached the described level of proficiency and effectiveness contemplated at the next grade level. Upon meeting all requirements, the incumbent may be promoted noncompetitively to the level of GS-06, providing that sufficient work exists at that grade level to warrant establishing such a position.
